## Tour Plus Outstanding standards each year!

Our Pesach doesn't start in Nissan – in fact not even in Cheshvan. The truth is, that as we are packing up from the previous Pesach and wishing each other a "healthy summer," we begin thinking about how next year's Pesach can be even better for our guests.

Our staff are busy choosing the most sought after hotels and resorts, putting together the most enjoyable activities and working on the most delicious menus.

## Delicious kosher cuisine

For Tour Plus, a successful resort isn't just about the quality of the accommodation and facilities – but includes much more.

We have a reputation for providing world-class kosher cuisine, with our rich and varied meals, which will make your Pesach one that truly pleases your palate!

We make a special effort to respond to your requests and serve you the food you expect and deserve.

## Experience the moment!

Here at Tour Plus, we try our very best to ensure you make the most out of every moment of your vacation. Our skilled office staff tailor-design the packages, to ensure everyone's needs are taken care of.

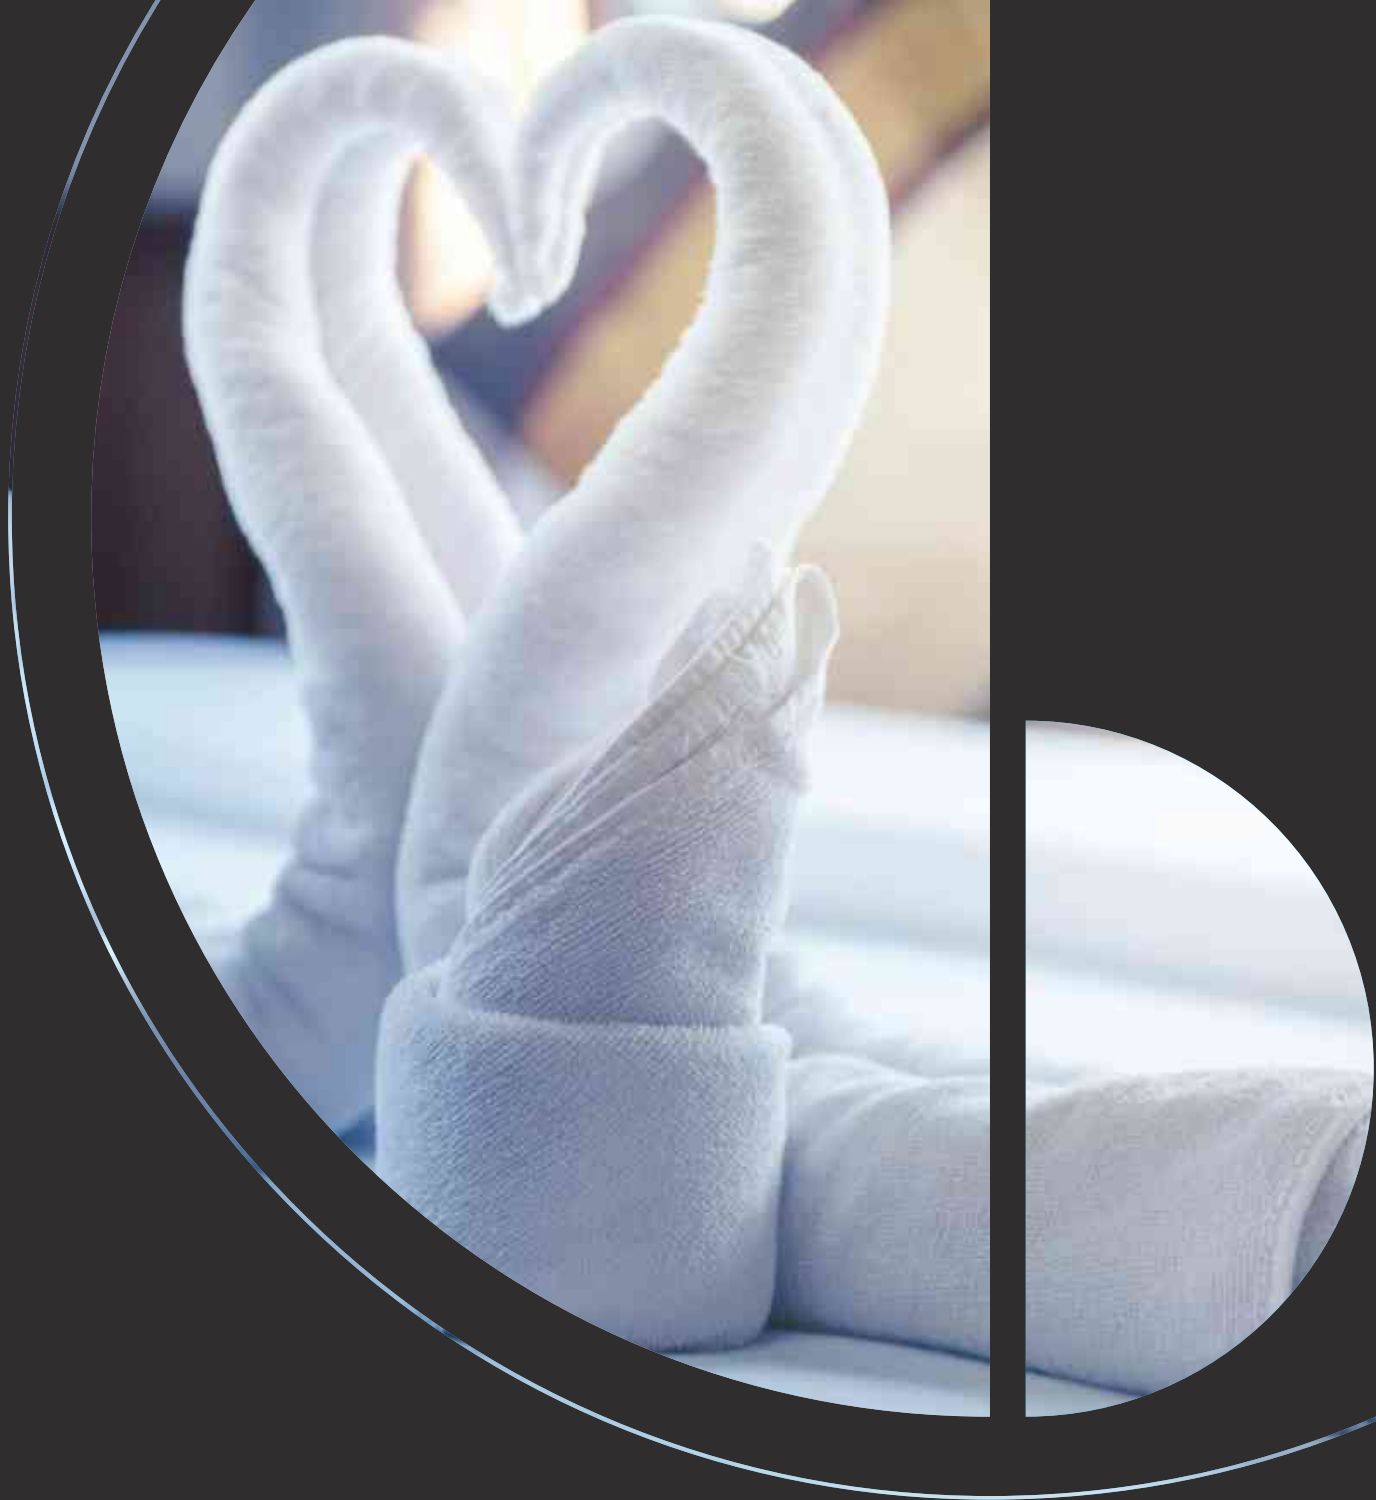

We provide fun activities for all the family, especially children including arts and crafts, shows and workshops – which gives parents 'quiet-time' and allows youngsters to socialize and make new friends.
